

The following Constitutional Change has been received from Dorset SMBA

Proposer: Karen Hall
Seconder: Roger Humphrey (Charlton Marshall Club)

Although not specifically written into the ESMBA Constitution The Disciplinary Procedures are through references in the Appeals section a very important aspect of a fair hearing and therefore Dorset SMBA would propose that the method of communication be changed from Recorded Delivery to Royal Mail Special Delivery. This affects two documents:-

The ESMBA Disciplinary Procedure

Item 2 paragraph 2

Item 6j

and the ESMBA Appeals Procedure

Item 2

Item 5j

In all four instances Dorset propose the wording Recorded Delivery is changed to Royal Mail Special Delivery.

Rationale: Recorded Delivery does not guarantee signature but Special Delivery is fully tracked and deemed more reliable.
