## News Release

8<sup>th</sup> August 2021

The ESMBA Management Committee would like to announce the appointment of Stephen McAlister as the new ESMBA England Team Manager. The ESMBA wish Stephen and his future team every success in the future.

Stephen responded to his appointment with:

“I’m delighted to take up the role of England team manager. Having had the honour of representing England for a number of years I’m looking forward to putting that experience to good use in my new role. My ambition is to encourage and develop international players and so enable England’s success in international tournaments”

Trials forms will be published shortly, but potential players may contact Stephen by email
