The ESMBA would like to remind counties that for members to earn a place in the National Finals, qualification must have been through a competition run under ESMBA rules and they must have qualified via the main section of that qualifying heat.

No qualifiers can be submitted from a Plate competition. Those counties that combine the qualifying heats with their own county competitions must establish at the point of entry which teams are national entries and which teams are not.

If counties can not provide qualifiers as per the rules they will forfeit their place.

If found to have broken the rules then those teams will be disqualified.
