Members Personal Accident Insurance - Policy No. SZ/27173351

I am writing to you in connection with your Members Personal Accident insurance and am pleased to confirm your cover arrangements with Allianz Insurance Plc for the period of cover from 1st September 2022 to 31st August 2023.

Based on our knowledge of your account, your stated requirements are as follows:

Your requirement was for a policy to cover affiliated ESMBA members for accidental bodily injury suffered in connection with the activities of short mat bowls, including commuting to and from their destinations.

This is coverable by an occupational Group Personal Accident policy which provides fixed benefits to all or nominated affiliated members, with weekly benefits for temporary disablement, when undertaking ESMBA associated activities.

Our renewal letter contained important information regarding your cover, your duty as a Policyholder and how to make a claim. If you have not fully read this through, please do take the time to do so and if there is anything that is unclear or that you do not understand, please contact me immediately.

Next Steps

We look forward to receiving the first membership submission by Brian at the beginning of October. As a reminder, please provide the personal accident submissions at regular intervals, i.e. once a month.

I trust the above is in order. However if you have any questions please do not hesitate to get in contact.

Yours sincerely,

Michelle
