ENGLAND TRIALS 2010

ESMBA Registered members are invited to enter, AS AN INDIVIDUAL, for the England Trials with a view to earning a place in the England Team. All entrants are reminded that they should only enter these trials if they are prepared to accept a place in the England Team if selected.

Under current ESMBA procedure the England Team Management will select players from the trials to join with the players who win a National Championship in the Singles, Pairs, Triples or Fours to form the England Squad for the forthcoming season. To be eligible for selection players must either win a National Championship or enter the England Trials, unless exceptional circumstances can be shown to have prevented a player from competing in these trials.

County Managers may nominate players to the England Team Management who will then invite players to take part in the trials. Alternatively individuals may themselves complete this form and apply to take part. Places will only be selected—from those players who have submitted an original Entry Form and then have competed in the trials.

The England Team Management will invite players to attend the one of the two days on the 28th/29th August 2010. The England Management will organise the players into teams on the day & they will compete against each other over the trials period, being observed and marked on their ability. The current regulations allow players who win a National Championship to enter the trials if they wish.

- The trials will be held under ESMBA Rules
- All players must be dressed in accordance with ESMBA Rules
- The trials will be held at Caroline Chisholm School, Wooldale Road, Wootton, Northampton. NN4 6TP
